MINUTES

An exhilarating, state-of-the-art tabletop escape game, that will have your students on the edge of their seats!

Utilising the very latest in escape game technology, your teams are presented with an unassuming wooden box, which is actually packed with intricate and advanced puzzles. A timed challenge that will test all of your skills.

An asteroid is heading towards earth, each team is tasked with unlocking the contents of the box in order to save the world!

Will you succeed before time runs out?

MINUTES

Turn your students into secret agents as they embark on an immersive tabletop adventure!

What starts as a session in Code-Breaking 101 led by an ex-MI5 agent becomes much more when the Secret Service is compromised!

There are props, strange gadgets, and plenty of twists and turns in this exciting team event.

Using sharp minds, determination, great teamwork, and the evidence provided, crack the case and expose the suspect before it's too late!
Is it a known person of interest, or could it be an inside job...
